Chairman Apodaca asked Vice Chair Salazar since he originally tabled the motion, if he would like to take a vote on the change to Section 2.01(b) from four Councilors to eight Councilors, two per district, or continue to table it.

Vice Chair Salazar stated that he knew how Commissioner Martinez felt about the change since the original motion came from him, but being that he was not present this meeting, he would like to hear it from him. Commissioner Ludi expressed her concerns with the agenda being lengthy and having several items on it if they went to eight Councilors and how this would affect the City Clerk if she controlled it.
